Curb appeal is important when selling property, and due to storms and fires it looks bad now. Keeping the property in the family has become quite a struggle. Ms. Baker provided pictures of her property. A listing of sales used in the sales study was provided to Ms. Baker. A decision was tabled until July 15, 2014.

Dave, Criss and Monte Hamaker 2014-4 Parcel # 830024484, 2014-5 Parcel # 830068223, 2014-6 Parcel # 830024921, 2014-7 Parcel # 830024948, 2014-8 Parcel # 830028463, 2014-9 Parcel # 830024433. Criss questioned how much more values can go up. Dave stated that Wyoming ag lands are valued on production, what it will run. He stated that his property is inaccessible with fairly significant canyons running through the property. Criss thinks the buildings are overvalued. A listing of sales used in the sales study was provided to Hamakers. A decision was tabled until July 15, 2014.

Esther Svitak, 2014-10 Parcel # 830007822. Ms. Svitak contacted the board by phone. Testimony provided by Ms Svitak was that due to the extended drought, her property has decreased grazing capabilities. This parcel does not have the irrigation potential that other property she has sold has had. A decision was tabled until July 15, 2014.

Vera Coffee 2014-11 Parcel # 830042962, 2014-12 Parcel # 830043098. Vera, Cyd, Dan and Jay Coffee provided testimony that they are worried about the change in value on two parcels and the trees are burned and it's not recreational anymore. Buildings are getting older and not improving. Board Chairman Skavdahl explained the sales study process and provided Coffee's with a list of sales that were used in the sales study to set values for 2014. A decision was tabled until July 14, 2014.

Emery Fox Ranch, LLC, 2014-13 Parcel # 830038442, 2014-14 Parcel # 830038167, 2014-15 Parcel # 830038035, 2014-16 Parcel # 830037934, 2014-17 Parcel # 830038159, 2014-18 Parcel # 830038019, 2014-19 Parcel # 830037802, 2014-20 Parcel # 830038396, 2014-21 Parcel # 830038132, 2014-22 Parcel # 830038000, 2014-23 Parcel # 830038183, 2014-24

Surrounding states value property a lot different. He said that in Nebraska ag population is 3% paying 40% of the tax. Questioned why others with other holdings other than ag such as CD's, IRA's, stocks and bonds aren't taxed. A decision was tabled until July 15, 2014.

The board adjourned for a lunch recess from 12:00 to 1:00 p.m.

Ovid and Kathryn Reece, 2014-30 Parcel # 830072701, 2014-31 Parcel # 83003272. Katie provided testimony listing homes that are in her opinion comparable to her house in size, age and proximity. Reece stated it doesn't seem like it's consistent. \$50,000 to \$60,000 is where it should be. Zimmerman asked if a professional appraisal had been done, Reece said no. Zimmerman advised that all buildings in the county were reappraised in 2010 by a professional appraisal company. Reece also provided a list of acreages under 320 acres from the GIS website as comparables. Reece stated that it is now being used for livestock. The board questioned why they want it lowered, but paid twice what they are asking the values to be set at. Reece stated she was aware they paid too much for it. The Reeces were told that their sale will be included in next year's sales study and this sale will help to set the values for 2015. A copy of the sales that were used in the sales study was provided to the Reece's. A decision was tabled until July 15, 2014.
